

A Tradition of Giving

Giving is a tradition in Lake Forest. Many of the Park and Recreation facilities have been made possible through the generosity of our residents and local organizations. Now comes an opportunity to help support Parks and Recreation and leave a lasting memory of your gift.

PAVER PROGRAM

At the entrance of the Fitness Center is an outdoor patio which has been constructed with clay pavers that are suitable for engraving.

Engraved pavers can be purchased through a donation to the Parks and Recreation Department for \$100 each.* Each paver can be engraved with three (3) lines and thirteen (13) characters per line.

Proceeds from the Paver Program will be used to furnish the Recreation Center and purchase equipment for youth programs.
